Sir/Madam,

SUBJECT: APPLICATION OF SEASON PARKING CARD SUSPENSION FOR THE REASON OF PROLONGED ILLNESS DUE TO MEDICAL OPERATION

The above matter is hereinafter referred to.

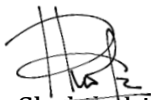

2) I hope this letter finds you well. I am writing to formally request the temporary suspension of my parking card (Parking Card Number: 00724) as I will be on medical leave following an operation.

3) My doctor has advised a recovery period from 20/01/2025 to 20/02/2025, during which I will not be commuting to work or using the parking facility. To avoid unnecessary charges, I kindly request that my parking card be suspended for the duration of my medical leave. Attached to this letter, I have included supporting documentation, such as my medical operation form for your reference.

4) Please let me know if additional information or documents are required to process my request. I would appreciate your confirmation once the suspension has been applied.

5) Thank you for your understanding and assistance.

Yours sincerely,

Nur Shakila binti Mohd Shariff
