

MEMORANDUM

TO : Radiographer In-charge : Diagnostic Imaging Services, KPJ Specialist Hospitals

C.C : Nurse Instructors & Clinical Preceptors : KPJ Specialist Hospitals

REF. NO. : KPJU/SOHS/L&M/005/MI/01402

FROM : Coordinator of Bachelor Medical Imaging

DATE : 26th February 2025

SUBJECT : **CLINICAL POSTING FOR BACHELOR OF MEDICAL IMAGING STUDENTS**

Dear Sir / Madam,

The above matter is kindly referred.

Kindly take note that the Bachelor of Medical Imaging students will report for clinical posting at the respective KPJ hospitals to complete their clinical hours' requirement, at period stated as below:

No.	Program	Cohort	Clinical Practice Modules	Posting Period
1.	Bachelor of Medical Imaging	14A & 16B	BMI 4245 Clinical Practice VI BMI 4235 Clinical Practice V BMI 4245 Clinical Practice VI	14 th April 2025 to 2 nd August 2025
		18A & 20B	BMI 2215 Clinical Practice I BMI 2225 Clinical Practice II BMI 2235 Clinical Practice III	

Attached along with this memo are the following documents:

- **Appendix 1:** The respective areas of clinical practice and assessment details of each clinical practice module.
- **Appendix 2:** The timeline of clinical posting.
- **Appendix 3:** The name list of students with respective clinically attached KPJ hospitals.
- **Appendix 4:** Guidelines for leave application and replacement.

Appreciate the clinical instructor / preceptor / person in-charge to provide the accommodation/assistance throughout their clinical posting duration, should the students need them (please refer to the details provided in **Appendix 3**). The students have been briefed on about the:

1. SOPs on reporting duty to clinical instructor/preceptor/person in-charge; and necessity to perform Covid19 screening before commencing the duty, as per hospital SOP. Students are only allowed to commence clinical duty if they are tested negative for Covid19 prior to the day of report duty.
2. Need to notify relevant parties should they test positive for Covid19 and the necessity to be quarantined.
3. Need to bring their own adequate supply of face masks, hand sanitizer, and the practice of social distancing for own precaution steps throughout the conduct of clinical duty in the respective hospital.

Preceptors can segregate the students accordingly at the Radiology Department. Your cooperation is much appreciated. Should you have any enquiries pertaining to the above matter, please do not hesitate to contact us, Nurul Mawaddah (BMI coordinator) at ucn.mawaddah@kpju.edu.my.

Thank you.

Sincerely,

**NURUL MAWADDAH
MOHAMMAD**
